

Name our two new parks – Opening this August!

Amazing new park at Bluewattle, 10m slide tower!

This August we will be officially opening two new parks at Bluewattle. The larger park is currently under construction, and is positioned on the corner of Bluewattle and Gambia Drive.

It will actually be THE LARGEST at Bluewattle, featuring a 10m tall tower with slides and play equipment, adorned with butterfly decorations. The tower was erected last month, and has already become a local landmark! The park also includes dedicated cross-fit exercise zones with equipment, plus plenty of space for outdoor sports. Drive by and check out the progress. We expect this park to be completed in late July.

The second, smaller park is positioned in the heart of Bluewattle's latest land release, bounded by Gambia Drive, Lizzie Street and Basil Lane. It includes long communal tables for outdoor dining and a productive arbour, growing fresh

herbs for the whole community to enjoy. This park is now complete, so feel free to visit and enjoy a family picnic in the park!

Help us name our New Parks

We are inviting the community to submit their name ideas for our two new parks. Submit your entries by 1 July 2016, and get in the running to win one of two \$500 vouchers to spend at Willows Shopping Centre. Submit your entry online here at bluewattle.com.au
